WE ARE SO EXCITED YOU ARE WALKING WITH US. EVERY STEP, EVERY VOICE, EVERY EFFORT COUNTS.

We hope you will consider fundraising for this event. All are welcome to walk, without the barrier of fees or fundraising, but you will see that we suggest giving or raising \$100 (\$50- for youth and students) if able. Every dollar raised is given back to our incredible partners providing service and care for our neighbors in need. Below, you are also able to direct your funds to a specific organization if you choose. If you choose GENERAL FUNDRAISING, your funds are split between ALL partners. Please note you can only make one choice below. If you are walking with a team and your team has selected a funding recipient, your choice will default to the team partner. Questions? Email us at info@winterwalkboston.org.

Choose a Classification:

Step 1-Choose your fundraising path

All participants who walk with us are encouraged to raise \$100, and students are encouraged to raise \$50. If you would like to fundraise, select the corresponding button. If you do not want to fundraise, and would rather pay the registration fee upfront, please select that option. If you are walking with us from afar, please select that button.

If you would like to bring your dog, you are more than welcome to (and can register them to walk and fundraise)! We strongly encourage only bringing dogs who are okay being around children, other dogs, and in the cold weather.
